& Friday, April 17, 2026 • 8 a.m.-2 p.m.  
Madison Concourse Hotel**

Theme: Partnership,  
Persistence, and Purpose:  
Centering Youth Voices  
and Moving from Vision to  
Impact

Join committed colleagues from across the United States as we:

- Share current research and best practices
- Engage in inquiry and dialogue with exceptional educators, researchers, and experts
- Hear valuable student perspectives
- Connect through focused district planning and job-alike conversations.

The 2026 MSAN Institute speakers and breakout sessions will address the conference theme in relation to these focus areas:

1. School and District Leadership
2. Student Engagement and Belonging
3. Curriculum and Instruction

### **Suggested Audience**

Any district or school-level staff including superintendents, assistant superintendents/deputies, directors, managers, principals, teachers, engagement specialists, student services staff, etc.
