Changing the Narrative: Today's Students, Tomorrow's Leaders

Dear MSAN students, educators, and guests,

Welcome to Cleveland, Ohio, and to the 2026 Multicultural Student Achievement Network Conference!

We are honored to welcome students and educators from across the country to a city shaped by diversity, resilience, creativity, and that has a long history of people coming together to create change.

Cleveland is a city with various stories to tell. From its culturally rich neighborhoods and institutions, to its history as a center of industry, music, art, and social movements, Cleveland has continually evolved through the people who call it home. Our city reminds us that a community's future is shaped by the voices and actions of the people within it. Historically, Cleveland is home to people of several different backgrounds and ethnicities; Latinx, Asians, African-Americans, Eastern Europeans and Italians, to name a few. However, redlining and segregation still continue to impact the city to this day, leaving several communities of people of color not only isolated from opportunities and resources, but in worse living conditions than their non-POC counterparts. This is one of many reasons why this year's theme, **"Changing the Narrative: Today's Students, Tomorrow's Leaders,"** is so meaningful.

As students, we are often described by statistics, assumptions, or narratives created by others. MSAN gives us the opportunity to challenge those narratives and create our own. We are not simply the leaders of tomorrow. We are advocates, innovators, organizers, scholars, creators, and leaders today.

Throughout this conference, we encourage you to ask difficult questions, celebrate your identity and experiences, build connections across communities, and imagine what is possible when students are given the opportunity to lead.

As you explore Cleveland, we hope you see more than a city. We hope you see a place that reflects the power of communities to grow, overcome challenges, and create something better. Most importantly, we hope you recognize that the same power exists within each of you.

Your voice matters. Your perspective matters. Your story matters.

Welcome to Cleveland. Welcome to MSAN. And welcome to a space where we have the power to change the narrative.

Today's Students. Tomorrow's Leaders.

With pride and excitement,
The 2026 MSAN Student Conference Planning Team

A NOTE FROM THE SUPERINTENDENT OF SHAKER HEIGHTS CITY SCHOOL DISTRICT

Dear MSAN Students and Chaperones,

Welcome to the 2026 Multicultural Student Achievement Network (MSAN) Annual Student Conference, here in Northeast Ohio.

This year's theme, **"Changing the Narrative: Today's Students, Tomorrow's Leaders,"** reminds us that your experiences, perspectives and voices shape conversations, challenge assumptions and contribute to positive change in your schools and communities. This means that you have the power to make our world better today, even as you are preparing to be the leaders of the future.

I encourage you to make the most of this experience over the next three days. Listen to perspectives that may be different from your own. Ask questions. Build new relationships. Be curious, be open to new possibilities and consider how you can use what you learn when you return home.

You will also have the opportunity to identify a challenge in your school community and develop an action plan to address it. As you think about that work, remember that meaningful progress often begins with recognizing a challenge and having the courage to imagine something better.

I hope you leave MSAN with new connections and a renewed understanding of the difference you can make. Take what you learn here back to your schools and communities and continue changing the narrative.

On behalf of the Shaker Heights Schools, welcome to MSAN. We are excited you are here and look forward to seeing your leadership in action!

Sincerely,
David Glasner, Ed.D.
President, MSAN Governing Board of Superintendents
Superintendent, Shaker Heights Schools

WELCOME FROM MSAN'S EXECUTIVE DIRECTOR

Dear MSAN scholars, advisors, and friends,

Welcome to Ohio and the 2026 MSAN Student Conference!

I am thrilled to welcome you to what I know will be an impactful, meaningful, and memorable experience. We are incredibly grateful to Dr. David Glasner, Shaker Heights City Schools, and the entire Shaker Heights planning team for welcoming us to their community and working throughout the year to create a fun, engaging, and exciting conference for all of you.

Thank you to each of you for your commitment to making schools better for all students, especially students of color who continue to face some of the most significant challenges in our schools. Your willingness to come together, share your experiences, and work toward meaningful change is at the heart of what MSAN is all about. Our work is more important than ever.

This conference is your time to connect, learn, reflect, and strategize. We hope you take full advantage of everything planned for you.

Our theme, selected by our student planning team, **"Changing the Narrative: Today's Students, Tomorrow's Leaders,"** challenges every MSAN scholar to embrace a different story about yourself, about your peers, and about what is possible in your school and community. We look to all of you to shepherd us into a more hopeful and bright future where each one in our community has a place.

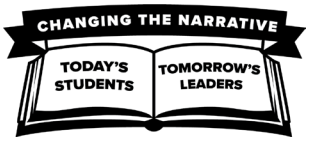

While there will be many exciting moments throughout the conference, the most important work you will do is developing your district's action plan. I cannot wait to see the ideas, solutions, and commitments that emerge from each of your teams.

I also want to extend a special thank you to our MSAN advisors. Your presence and leadership are essential to the success of this conference and, even more importantly, to the growth and development of our students. Thank you for believing in them, creating space for their voices, and providing your continued and unwavering support of this work.

MSAN believes deeply in the power of students as partners in creating better schools. Over the next few days, I hope you recognize that power in yourselves and in one another.

With appreciation and excitement,

Latoya Holiday
MSAN Executive Director

Conference Expectations & Responsibilities

Congratulations on being selected as a delegate from your school district for the MSAN Student Conference! You are joining a community of MSAN scholars from around the country who are working to advance educational equity in their school districts.

Each year, students just like you help design the MSAN Student Conference. Support their leadership by reviewing the guidelines for behavior, dress code guidelines, and other conference details.

Planning, Preparation, Perfection

- Read this document with your chaperones, your family, and the other student delegates from your school district.
- The planning committee has selected several readings and materials for your team to review and reflect on before arrival at the conference. These required materials can be downloaded from msan.wcer.wisc.edu/student-conference.

Dress Code Guidelines for Students and Chaperones

The suggested dress code guidelines for the conference range from casual to business casual:

BUSINESS CASUAL ATTIRE FOR CONFERENCE EVENTS OUTSIDE OF THE HOTEL
Casual dress shirts, such as button-downs or polos. No t-shirts with advertisements or slogans that wouldn't be okay in school. Skirts, dresses, capris, dress shorts, business casual pants (for example, khakis). Jeans are not recommended. **Wear comfortable shoes for the campus visit – extensive walking is required. Flip-flops are NOT recommended.**
CASUAL ATTIRE FOR CONFERENCE EVENTS INSIDE THE HOTEL
All participants should wear clothing that will allow for comfortable movement. Shorts or skirts should be mid-thigh or longer. Sheer clothing requires appropriate under layers. Pants or jeans should fit comfortably; belt loose-fitting pants/shorts. Gym shoes are okay.

Please remember to check the weather forecast to ensure you are dressed appropriately. Autumn weather in Cleveland can be unpredictable and can change very quickly. Rain and snow are a distinct possibility. We will also be touring a college campus, which will require extensive walking. **Make sure to wear appropriate footwear** (flip-flops are NOT recommended).

MSAN Student Conference Delegate Agreements

- MSAN Student Conference delegates agree to use technology appropriately during the conference. **DO** post appropriate conference updates on social media, and tag @msan.uw. **DON'T** use your phone or device in a way that takes away from your experience, the experience of other delegates, or the experiences of our guest speakers.
- MSAN Student Conference delegates agree to a strict no alcohol, tobacco, or other drug policy during the entire conference.
- MSAN Student Conference delegates agree to socialize only in public spaces. Conference delegates are **NEVER** allowed to socialize in each other's rooms. Outside guests are not permitted at the conference. Family members who attend the conference need to register with MSAN as official conference volunteers.
- MSAN Student Conference delegates agree to cooperate with all reasonable requests made by adults affiliated with the conference.
- MSAN Student Conference delegates agree to follow all curfew rules.
- MSAN Student Conference delegates agree to keep shared spaces (e.g. hallways, stairwells) quiet and **remain with the group at all times.**

MSAN Student Conference Delegates Are...

MSAN Student Conference delegates are LEADERS

- Express and discuss your ideas, views and opinions.
- Think about how you will use the information you learn when you get home.
- Create a plan of action to implement in your school district.

MSAN Student Conference delegates are DEPENDABLE

- Attend all events and activities.
- Be on time.
- Complete tasks and assignments.
- Stay with chaperones.

MSAN Student Conference delegates are REPRESENTATIVES OF THEIR SCHOOLS, FAMILIES, AND COMMUNITIES

- Represent with pride!
- **Wear MSAN name tag at all times.**
- Observe rules and curfews.

MSAN Student Conference delegates are COMMUNITY BUILDERS

- Cooperate with others.
- Give, accept, and use feedback effectively.
- Ask questions, network, and share information with peers, adults, and presenters.
- Stay involved and engaged.

MSAN Student Conference delegates are FULL PARTICIPANTS

- Be positive – it's contagious!
- Be Flexible.
- Ask Questions. Listen. Reflect.

MSAN Student Panel

Thursday, 6:30-8:00 p.m., Ballroom IV, V, VI

Kendell Berry-Davie is a 2021 graduate of Shaker Heights High School. He attended the fall 2019 MSAN Conference in Madison, Wisconsin. He is a proud graduate of Cleveland State University, where he earned a Bachelor of Arts in Africana Studies. He currently lives in the Cleveland area, where he works full-time while also building VIXIV, an emerging film and entertainment company that he founded in 2023.

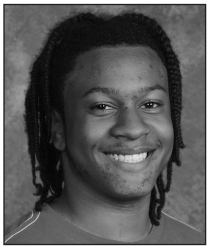

Dash Chesney is a 2018 graduate of Cleveland Heights High School. He attended the 2016 conference in Chapel Hill, NC, and assisted in hosting the 2017 conference in Cleveland Heights, OH. He obtained his Bachelor of Science in biology from North Carolina A&T State University and did an extra year at Kent State University to obtain additional certifications for personal training, where he joined Omega Psi Phi Fraternity, Inc. He is currently a personal trainer, training out of Life Time Beachwood and living in Cleveland, OH.

Taylor Jones is a 2016 graduate of Cleveland Heights High School, where she was an active participant in MSAN and attended the student conference in 2015. Taylor is currently a Program Manager at Accelerator for America, a non-profit do-tank dedicated to advancing economic mobility in underserved communities. In this role, she works with cities across the country to address barriers to housing development and expand housing opportunities. Previously, she served as a Senior Advisor in the Office of the Mayor of Cleveland, Justin M. Bibb, where she led several projects that increased organizational efficiency and advanced development across the city, especially in disinvested neighborhoods. Taylor holds a B.A. in History from Howard University, a Master of Public Policy from the Harvard Kennedy School, and is a proud member of Delta Sigma Theta Sorority, Inc. While she loves to travel and has spent much time away, Taylor still calls Cleveland home.

Christine Roberts graduated from Cleveland Heights High School in 2018. She was an active member of MSAN throughout high school and attended the 2015 MSAN conference in Madison, Wisconsin, and assisted in hosting the 2017 MSAN student conference here in Cleveland. Christine currently lives in Cleveland, OH, and is a Clinical Psychology Doctoral Student at Case Western Reserve University. In her free time, Christine enjoys spending time with her two Goldendoodles.

Evan Ward graduated from Shaker Heights High School in 2021. He attended the 2019 conference in Madison, Wisconsin. He currently lives in Shaker Heights, OH, and is in school for Mechanical Engineering at Cleveland State University. In his spare time, he likes to skateboard, take long bike rides, and build Legos.

Keynote: Sandra Roach

9:00-10:30 a.m. Ballroom IV, V, VI

Sandra Roach is a multidisciplinary leader with over two decades of experience spanning engineering, education, entrepreneurship, coaching, and AI workforce development. She is an associate in research in electrical and computer engineering at Duke University, team lead for Athena AI Institute Education and Workforce Development, and director of programs for the LIFT Lab.

Sandra excels at translating AI research into practical educational applications. She has developed robotics workshops for young learners, spearheaded AI programming for high school students, and led summer research experiences for undergraduates (REU). LIFT Lab programs have engaged more than 2,000 students, connecting cutting-edge AI research with accessible, hands-on community outreach across multiple states.

Sandra is also the director and founder of the Tutoring Tree, which provides supplemental tutoring services and specializes in developing and implementing STEM-based learning activities. She holds a Bachelor's of Science in electrical engineering, with minors in mathematics and physics, from the Florida Agricultural and Mechanical University–Florida State University College of Engineering. She has authored books highlighting career options, STEM navigation, and relationship building. As a life coach, she enables individuals to set goals, create action plans, and celebrate successes.

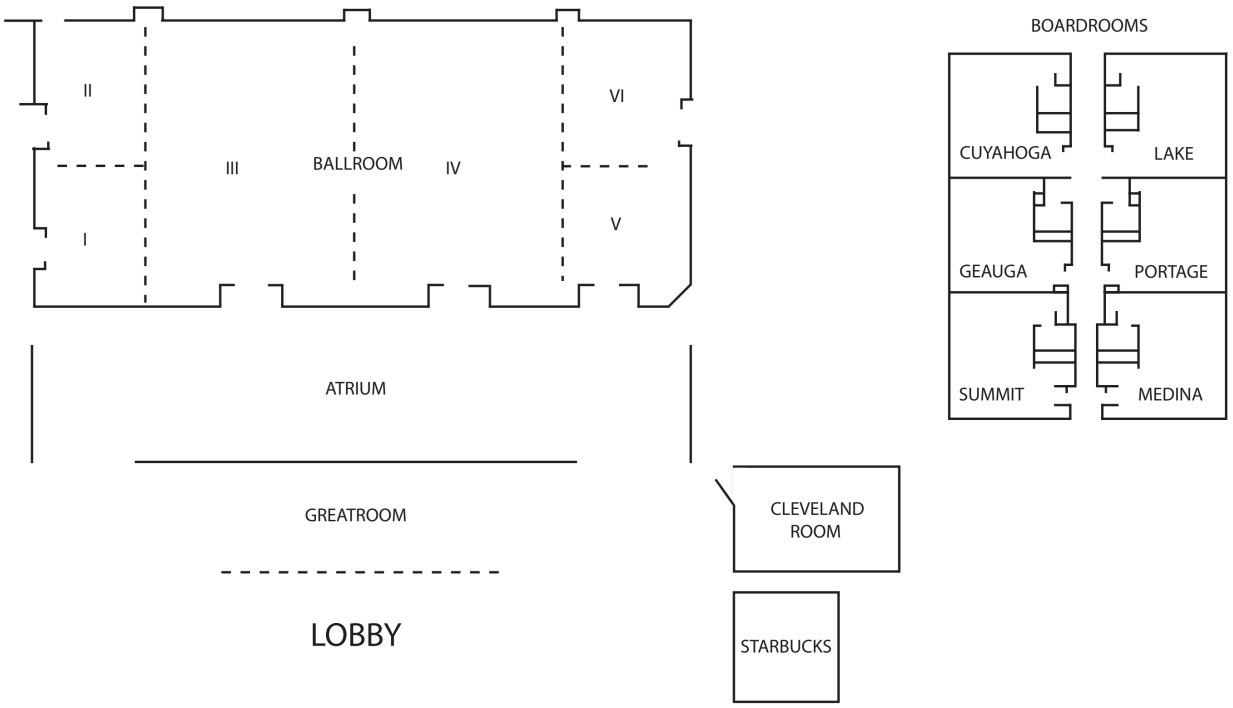

By engaging communities, Sandra fosters environments where everyone has a voice in shaping the future of technology.

MSAN
Multicultural Student Achievement Network

The Multicultural Student Achievement Network (MSAN) is a national, multi-state coalition of small to mid-sized school districts that learn, grow, and work together to realize the vision that all students experience an inclusive and excellent education.

Part of the Wisconsin Center for Education Research (WCER) at the University of Wisconsin-Madison, MSAN has worked to build the capacity of school leaders and students through its communities of practice, focus on elevating youth voices, and engagement in development, leadership, and research activities, all aimed at eliminating disparities, creating schools where every student belongs, and ensuring all students have what they need to thrive and succeed since 1999.

MSAN's mission is to build the capacity of students and educators to improve the educational experiences and outcomes of students of color by learning and leading together.

MSAN's core values are rooted in the beliefs that:
- Students' voices must be centered
- Together, we have the power to change disparate outcomes
- Research and collaboration drive innovation
- Intersectionality has a powerful impact on students of color
- We have a responsibility to dismantle oppressive systems to advance inclusion and excellence for all students
