This year, students and chaperones will be touring Cleveland State University.

Cleveland State University

You will have eight tours to choose from. **Please pick your top three** (place your first pick in the first slot, etc.). We will do our best to accommodate your top pick, but there is limited space. Tours will be assigned on a first-come, first-served basis. Please note the School of Nursing has a 30-person limit.

A: Washkewicz College of Engineering: This session will be of interest to people exploring careers in engineering. Engineers are driven by discovery and make an impact in areas such as energy and the environment, materials design and manufacturing, healthcare, intelligent systems and communication, and more. For more information, visit <https://engineering.csuohio.edu/>

B: Monte Ahuja College of Business: This tour will be of interest to people exploring careers in Accounting, Finance, Management, Human Resources, Marketing, Real Estate, or who are generally interested in Business. For more information, visit <https://business.csuohio.edu/>

C: College of Arts & Sciences STEM Labs: This tour will be of interest to people exploring careers in a broad range of programs such as Chemistry, Biology, Pharmaceutical Sciences, Physics, Environmental Sciences, Math, or Psychology. For more information, visit <https://artsandsciences.csuohio.edu/>

D: Arts Campus - School of Film and Media Arts: This tour will be of interest to people exploring careers in film and media content. For more information, visit <https://artsandsciences.csuohio.edu/film>

E: Arts Campus - Theatre & Dance, Art & Design: This tour will be of interest to people exploring careers in theatre and dance or art and design. For more information, visit <https://artsandsciences.csuohio.edu/theatredance> and <https://artsandsciences.csuohio.edu/art>

F: School of Nursing (30-person limit): This tour will be of interest to people exploring careers in Nursing. This tour will include general exploration of campus and a special stop at our Nursing Labs within our College of Health. For more information, visit <https://health.csuohio.edu/nursing-school>

G: Levin College of Public Affairs and Education: This session will be of interest to people who consider themselves to be changemakers, with interest in leadership and public impact. Levin College of Public Affairs and Education is home to our communication, criminology and sociology, education, and urban affairs programs. This tour will include the opportunity to see our podcasting/broadcasting spaces, talk with faculty, and hear from the Associate Dean. For more information, visit <https://levin.csuohio.edu/>

H: Campus Tour: Unsure of what you want to study? That's okay! Come see where our students spend most of their time when not in class.
